

What do Generator Duels, Chair of Nails, and the Pendulum Flinch Challenge have to do with Science? Well, we're glad you asked. They are all at the

Carnival of Weird Science

Saturday February 4th from 10am to 2 pm-ish

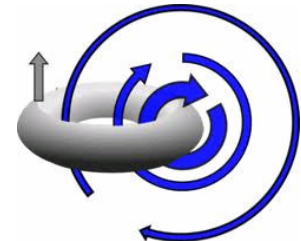

Warren High School Cafeteria 130 Warrior Drive, Vincent Ohio, 45784

◇ 4 hours of Amazement

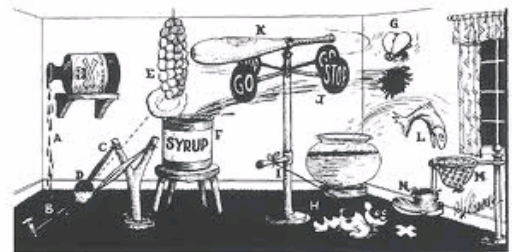

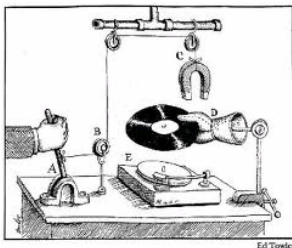

◇ 4 Hours of Shocks and Surprises

◇ 4 Hours of Odd Behavior

◇ As Many Bathroom Breaks as You Need!

- We Have Magnets, Sharp Pointy Things, and Musical Instruments That You Don't Have to Touch to Play!
- We Have a Vortex Stench Cannon, Smoke Rings, and a Live Scorpion Vending Machine!
- We Have Fake Injuries, The Egg-Bot, and a Cold Liquid that will Alter Materials in a Very Destructive Way!
- We Have Unbalanced People Doing UNEXPLAINABLE THINGS!
- We have WAY TOO MANY THINGS to Mention Due to Limited Space and Vocabulary.

To TOP it all off, a **RUBE GOLDBERG MACHINE CONTEST** will be happening AT THE SAME TIME! Yes I said, AT THE SAME TIME!

Watch the **CRAZY MACHINE CONTRAPTIONS** go through more than 20 steps to simply **BLOW UP A BALLOON AND POP IT!** Watch them compete for the honor of being chosen to go to the **NATIONAL CHAMPIONSHIPS!!!**

The **Weird Science Carnival** will **HAVE IT ALL!** ♦ Weird Science Entertainment ♦ Weird Science Competition ♦ Weird Science Food and Snacks ♦ And of course, Bathroom Breaks—as many as you need!
